PROFILE SUMMARY

Dedicated IT undergraduate with a strong academic background and real-world project experience. Finalist of Smart India Hackathon 2024, with a passion for innovation and a proven ability to contribute to impactful web projects. Eager to grow in a dynamic and collaborative environment.

EDUCATION

B.Tech. Information Technology
Bengal College of Engineering & Technology, Durgapur (2022 – Present)
CGPA: 7.3

Higher Secondary School
B.S. College, Danapur (2019 – 2021)
60.08%

EXPERIENCE

Front-End Intern – Web Development
Bharat Intern *| July 2024 – August 2024*
- Built a responsive personal portfolio website using HTML5 and CSS3
- Focused on UI design, clean code practices, and layout responsiveness
- Developed a real-world project to showcase personal skills and achievements
- Applied semantic HTML and modular CSS for maintainability and scalability

PROJECTS

Parallax Scrolling Website
- Designed and developed a modern, single-page website using HTML, CSS, and Vanilla JavaScript with parallax scrolling effects. Focused on delivering a smooth, interactive, and visually appealing user experience.
- Implemented parallax scrolling for dynamic background movement
- Created responsive design for seamless display on all devices
- Optimized performance and smooth transitions using lightweight JavaScript

Netflix Homepage Clone
- Built a fully responsive clone of the Netflix homepage using HTML5 and CSS3, showcasing skills in UI development, responsive design, and clean code structure. Strengthened hands-on experience in translating modern web designs into functional interfaces during the internship.
- Implemented responsive web design to ensure seamless user experience across all screen sizes and devices
- Replicated a real-world UI with pixel-perfect precision, showcasing skills in front-end development and attention to design detail

ACHIEVEMENTS

- Finalist, **Smart India Hackathon 2024**
- Completed 100 Days of Coding Challenge on LeetCode
